OBM 266 – Local Fire Ban Declaration

Responsible Owner: Director, RFSQ Specialist Services Branch, State Operations Directorate

This form is to be completed in accordance with [PR2015 - Local Fire Ban Declaration](#). Once completed and approved by the appropriate Deputy Chief Officer, please send to soc.admin@qfes.qld.gov.au with a copy to soc.statecoordinator@qfes.qld.gov.au.

PROHIBITION ON THE LIGHTING, MAINTENANCE AND USE OF FIRES IN THE OPEN

In accordance with the provisions of Section 145M *Fire Services Act 1990*, and with due regard to fire conditions and the fire weather forecast issued by the Bureau of Meteorology, a Local Fire Ban is hereby imposed as described below.

A prohibition on lighting fires in the open applies for the period 0001 hours on 25th, September 2023 to 2359 hours on 26th September 2024 in the fire ban area(s) specified hereunder:

Within the whole of the Local Government Areas of:

Barcoo Shire Council, Diamantina Shire Council, Boulia Shire Council, Winton Shire Council, Longreach Regional Council, Barcaldine Regional Council and Blackall Tambo Regional Council.

While this Local Fire Ban remains in force, any authority given under the *Fire Services Act 1990* or another Act to light a fire in the fire ban area ceases to have effect to the extent the authority is inconsistent with the ban (section 145Q *Fire Services Act 1990*). Certain exemptions will, however, apply.

The following exemptions apply:

1. Fires within a properly constructed barbeque are permitted provided they are not left unattended.
2. Fires for the purpose of disposal of animal carcasses are permitted, subject to the issue of a permit to light fire by the local Fire Warden.
3. Fires of commercial necessity are permitted subject to the issue of a permit to light fire by the Chief Fire Warden.
4. Fires lit for the purpose of burning standing sugar cane for harvest in accordance with the established practice of the industry. The burning of standing cane is permitted between 1800 hours and 0900 hours the following day once a permit to light fire has been obtained from the local Fire Warden for those blocks of cane that require a permit to light fire.
5. Fires lit for the purpose of burning tops and trash between 1800 hours and 0900 hours once a permit to light fire has been obtained from the local Fire Warden for those blocks of cane that require a permit to burn.
6. Fires lit in accordance with the provisions of Section 145M *Fire Services Act 1990*, Chapter 4B, Part 1, Sections 149I Powers of authorised officer in dangerous situations and 149K Powers of authorised fire officer for preventative or Investigative purposes.
