

## CSO 095 – Request for Renewable Energies QFD Visit

**Responsible Owner:** Director, Community Safety and Resilience Branch

**Audience:** ☐ SCSD ☐ State Ops ☒ QFR ☐ RFSQ

### SECTION 1: NATURE OF QFD VISIT REQUIRED (Please select the options that apply)

<input type="checkbox"/>	Site Visit	Site visits provide advisory guidance that consider the safety and protection of the community, environment and responding firefighters based on what fire safety installations are available. Advice provided would serve to clarify QFD intervention capability.
<input type="checkbox"/>	Fire Crew Familiarisation Visit	Familiarisation visits involve the attendance of your local fire crews to understand site-specific information vital in providing the correct response approach in case of an emergency. Ideally, this visit should occur prior to commissioning.
