Information on Fire Bans and the exemptions that can apply to a ban of the lighting of fires in the open can be found on the Queensland Fire Department website. <https://www.fire.qld.gov.au/>

Note: Power tools including lawn mowers and mechanical slashers may be used, however the Queensland Fire Department encourages people to use these with extreme care and to ensure that adequate equipment is available to extinguish any fire that may start. This could include having a person available to watch out for any ignitions that occur.
